## Power Vent Hood

Fire Magic's **Power Vent Hood** is designed specifically for the outdoor grilling environment to exhaust excess smoke and heat from covered patios. The 1200 CFM dual fan design may be configured to vent either vertically or horizontally to suit the application. Powerful under-mount halogen lamps illuminate the space for evening grilling.

### Feature Highlights

- Powerful, convertible (top-vent or rear-vent) dual blowers (1200 CFM total) specifically designed and engineered to quickly extract smoke, heat, grease, and odors from the front or rear of the hood
- High quality brushed 304 stainless steel construction with seamless polished edges
- Dual halogen under-mount lamps provide generous light for evening grilling
- Thermal safety sensor automatically activates fans when temperature reaches 140° F
- On demand control knobs offer a high and low setting for lights and fan
- Anodized aluminum filters remove easily and are dishwasher safe
- Available in 36", 42", 48", and 60" widths
- All units are 30" deep
