

## Regal & Custom Models GRILL LINER REPAIR KIT

This liner is for installation on Regal and Custom I and II Series Grills. To install, follow the steps below:

1. **Be sure the grill is completely cool and the gas is completely shut off.**
2. Remove the warming rack, cooking grids, flavor grids, burner nuts/screws and burners. Discard the old burner nuts and screws. Reference your owner's manual for complete removal details if needed.
3. Thoroughly clean the interior of the grill prior to liner installation.
4. Install the liner to the inside rear contour of the grill.
5. Remove the top nuts loosely pre-installed on the liner screws (set aside) and re-install the burners. Secure the burners with the nuts, and re-install the remaining items listed in step #2.

Grill	Part No.
Regal (I and II series)	3000-19-31
Custom (I and II series)	3000-19-21
