FIREMAGIC PREMIUM OUTDOOR GRILLS COLLECTION CATALOG 2016

CRAFTED WITH PRIDE  IN THE USA

P R E M I U M O U T D O O R G R I L L S

For more than 75 years, FireMagic® has been building the world's finest outdoor grills for people who demand the highest quality and performance. Our passion for manufacturing premium grills will be felt in the pride of ownership that you'll enjoy for a lifetime.

Constructed entirely of the finest quality, heavy gauge 304 stainless steel with unsurpassed attention to the most precise detail in design and construction, FireMagic® Grills are the most elegant, and the most durable barbecues available. They easily perform at the highest temperatures for the longest time of any outdoor barbecue grill. With unique features like our advanced heating distribution system, a searing option, smoking capability, most complete rotisserie cooking, and even charcoal grilling, FireMagic® offers a truly unmatched grilling experience.

Every FireMagic® product is manufactured in our US production facility and held to the strictest safety standards and the highest performance metrics. Using state-of-the-art technology guided by the watchful eye and careful hand of master craftsmen, our grills are an investment that pays dividends for years and years. They are engineered and built to perform for a lifetime. The pride and joy from owning your FireMagic® Grill will last for years to come.

» DISCOVER THE DIFFERENCE

- » All 304 Stainless Steel Construction
- » Cast stainless steel "E" burners for consistent, even heat distribution, guaranteed for life (optional infrared burners are available)
- » Most BTU's and heat per square inch. Heats fast and stays hot
- » Largest cooking space compared to other same sized grills
- » 16-gauge stainless steel, flavor grids are engineered for durability, even heat distribution and reduced flare-ups
- » Feather-Lite, easy-lift oven hood with spring assist
- » 4-zone, illuminated chromed Digital Thermometer with meat probe
- » 12" deep fire box (top to bottom). Provides the most complete convection cooking
- » Angled interior halogen lights for evening grilling
- » 18.5" long watertight wood chip smoker box with 3,000 BTU's dedicated burner
- » Hot surface electronic ignition - lights every time
- » Master power switch turns off electrical system when not in use
- » Recessed Quantum Backburner that uses less BTU's to generate high heat making it ideal for efficient, versatile rotisserie cooking
- » Heavy-duty rotisserie spit rod with roller ball-bearings support and super-high torque motor
- » Built-in storage brackets for rotisserie spit rod
- » Fully illuminated safety control knobs (flame turns red when on)
- » Integral, and removable, oven warming rack for light cooking or warming foods
- » Customizable stainless steel name plaque to personalize your grill
- » Heat zone separators isolate cooking areas so food in each section may be grilled at different temperatures
- » Built-in grill is field convertible (natural gas/ propane gas)
- » Echelon "A" Series models feature a simple analog thermometer measuring up to 1000° F in the hood encircled in a highly polished stainless steel bezel
- » Optional Magic View Window to check on food without lifting hood
- » Optional infrared burner (no additional charge)

ACCESSORIES

SIDE BURNERS,
REFRIGERATION PRODUCTS
& MORE

FireMagic® sideburners are designed as companion side cookers. All sideburners feature a matching face for either Echelon Diamond or Aurora Grills. Featuring a contoured face, back-lit control knobs, hot-surface ignition, and a power switch. All Echelon accessories plug in to the Echelon Diamond Grill transformer for power and Aurora accessories plug into the Aurora transformer.

Echelon Double Searing Station
Model: 32884-1

Cut-out: 19" w x 18¾" d x 12" h

With the Echelon Double Searing Station, prepare restaurant-quality steaks. When steaks are flash-cooked up to 1200° using infrared technology, juices are locked in and meats are tender and full of flavor. With 32,000 BTU's.

Echelon Searing Station
Model: 32874-1

Cut-out: 14" w x 22¾" d x 12" h

Sear favorites such as ahi tuna and marbled fillet mignon to perfection. 24,000 BTU's and up to 1000° of infrared heat. Perfect for an amazing seared steak.

Double Searing Station
Model: 3288-1 / 3288L-1*

Cut-out: 19" w x 18¾" d x 12" h

With the Double Searing Station steaks are flash-cooked at 1200°, juices are locked in and meats are tender and full of flavor. With 32,000 BTU's of infrared heat, the double searing station is a welcome companion to your FireMagic® grill.

Searing Station
Model: 3287-1 / 3287L-1*

Cut-out: 14" w x 22¾" d x 12" h

This single side burner flash cooks up to 24,000 BTU's and up to 1000° of infrared heat locking in juices for tender meat and full flavor. Perfect for an amazing seared steak.

Echelon Power Burner

Model: 19-4B2N-0

Cut-out: 19" w x 18¾" d x 12" h

The Echelon Power Burner is the largest, most powerful side cooker available and provides the high heat that's perfect for wok cooking or frying a turkey! Offering a range of 3,000 to 60,000 BTU's. Available with porcelain cast iron or stainless steel grids.

Echelon Double Side Burner

Model: 32814

Cut-out: 11½" w x 22¾" d x 12" h

Enjoy precise flame control on each burner to prepare side dishes and sauces for your meal (Two [2] 15,000 BTU's burners). Available with porcelain cast or stainless steel grids.

Echelon Side Burner

Model: 32794-1

Cut-out: 11½" w x 14" d x 12" h

The Echelon Single Side Burner features a 15,000 BTU's burner, precise flame control valve, and stainless steel cover. Available with porcelain cast grid.

ACCESSORIES
SIDE BURNERS

Power Burner

Model: 19-S0B1N-0 / 19-SLB1N-0*

Cut-out: 19" w x 18¾" d x 12" h

The Power Burner is the largest, most powerful side cooker available. It provides a range of BTU's from 3,000 to 60,000. Available with porcelain cast iron or stainless steel grids.

Double Side Burner

Model: 3281 / 3281L-1*

Cut-out: 11½" w x 22¾" d x 12" h

The Double side burner offers precise flame control on each burner to prepare side dishes and sauces for your meal (Two [2] 15,000 BTU's burners). Available with porcelain cast or stainless steel grids.

Cut-out: 11½" w x 14" d x 12" h

Features of this single side burner include a 15,000 BTU's burner, and precise flame control valve. Available with porcelain cast grid.

Countertop Side Burner

Model: 3280

Cut-out: 8¾" w x 14¼" d

Drops into the top of island. Features include 15,000 BTU's sealed burner, precise flame control valve, and stainless steel cover.

*New "L" models feature Hot Surface Ignition (120V power required)
All FireMagic® sideburners include stainless steel lid.

REFRIGERATION PRODUCTS

Outdoor Rated Refrigerator

Model: 3589-DR or DL

Cut-out: 24" w x 27" d x 35" h

Featuring, 6.5 cubic feet of storage, digital internal thermometer, adjustable shelves, LED internal light, lock & key and FireMagic® style handle.

Outdoor Rated Kegerator

Model: 3594-DR or DL

Cut-out: 24" w x 27" d x 35" h

Featuring, a double tap, digital internal thermometer, adjustable shelves for additional storage, lock & key and FireMagic® style handle.

Premium Refrigerator

Model: 3590-DR or DL

Cut-out: 20" w x 21¾" d x 34½" h

Custom-designed door is fabricated with a heavy-duty handle and radial corners for an exclusive look. Handy lock keeps contents safe. When used outdoors, it must be installed in an enclosure.

Refrigerator

Model: 3590A

Cut-out: 20" w x 21¾" d x 34½" h

4.2 cubic foot. Interior light and security lock and key. Reversible door hinge. When used outdoors, it must be installed in an enclosure.

Large Capacity Ice Maker

Model: 3593

Cut-out: 16¾" w x 27½" d x 34" h

Produces 44 lbs of ice in a 24 hr period and can store up to 25 lbs. UL listed for outdoor use and "Energy Star" rated. Continually producing ice on demand as ice is used. Suitable for outdoor and indoor applications.

Drop-In Refreshment Center

Model: 33596

Cut-out: 25" w x 23¾" d x 12¾" h

Use like an ice cooler in your grill island to keep soda, beer or other beverages cold and frosty. Includes handy drain kit and hinged removable insulated lid.

Refreshment Center

Model: 3596A

Cut-out: 25" w x 25" d x 12" h

Insulated walls, bottom drain, in-front shelving, attached bottle opener, included drain kit, Echelon styled face and hinged removable lid.

Bar Caddy

Model: 1D-S0

Cut-out: 14¼" w x 22¾" d x 12" h

Bar Caddy comes equipped with a towel bar, bottle opener, sliding storage drawer, two stainless steel bottle sleeves and an installation hanger. Available with the optional steam warming accessory.

ADDITIONAL ACCESSORIES

Built-In Beverage Center

Model: 1D-SSA

Cut-out: 36¾" w x 23½" d x 12" h

Features top storage shelf with rail, faucet with sink and drain, removable bamboo cutting board, storage drawer, wine glass holder, halogen lights, covered heavy-duty blender, insulated ice drawer, and 2 condiment holders. Also available in a portable unit and Diamond Series (1D-SSD).

Stainless Steel Griddle

Model: 3516 (Fits 22" Deep Grills)

Model: 3515 (Fits 18" Deep Grills)

This unique grilling accessory heats up fast and allows you to cook all your meals in your outdoor kitchen.

Cast Iron Griddle

Model: 3512A or 3513A

Griddle available for the FireMagic® double side burner as well as the Echelon and Aurora grills. Perfect for breakfast, grilled or vegetables or fajitas.

Protective Grill Covers

Model: Various "F" Styles

Custom fitted to FireMagic® grills and accessories, these black covers are manufactured with a PVC exterior and Polyester "breathable" interior providing excellent protection to any Firemagic product.

Insulating Liner

Model: Various Models

Cut-out: Various Sizes

Featuring reduced clearance and requiring no additional support panel beneath the grill. The Insulating Liner is constructed of 304 stainless steel, is pre-assembled and includes a hanger for easy installation.

Vent Hood

Models: 36-VH-6, 42-VH-6,
48-VH-6, 60-VH-6

Dual 120v halogen lights, 1200 CFM variable speed blower, 30" extra deep design and anodized aluminum removable filters for easy cleaning.

Cut & Clean Combo

Model: 53816

Cut-out: 9½" w x 4½" d x 15" h

Allows you to slice and dice on a FireMagic® bamboo cutting board, then sweep debris right into the FireMagic® trash receptacle or basic trash can via a deep stainless steel trash chute. Chute measures 14¾".

Trash Container

Model: 53825-T

Cut-out: 12¾" w x 20" d x 24" h

Constructed of stainless steel with a hands-free foot lever, the door easily slides open to reveal a 10.5 gallon trash can. Fully enclosed.

ADDITIONAL ACCESSORIES

Motorized Hood Kit

Model: 3422-E2

Motorized Hood Kit is compatible with current Echelon Grills as well as many older Echelon Models.

Grilling Tray

Model: 3567

Dimensions: 13½" w x 14¾" d

Expand your cooking horizons with the FireMagic® Grilling Tray. The durable black porcelain finish, angled sides and easy access low profile front makes cooking smaller food on your FireMagic® grill a snap!

Warming Rack Extender

Model: 3682A

Dimensions: 14" w x 7" d

Add almost 100 square inches of indirect grilling (or warming) space to 22" deep Echelon and Aurora Grills with the new Warming Rack Extender, simply hook on the rear edge of the existing warming rack.

Wok

Model: 3572

Hard-anodized stick-resistant lined interior surface measures 14" in diameter.

Sink & Faucet

Model: 3587 & 3588

Cut-out: 14" w x 14" d x 17" h

Adds convenience and functionality to your outdoor kitchen. Purchase separately or together. Sink measures 15" x 15" x 6" and requires a 17" clearance underneath.

Blender with Hood

Model: 3284A

Cut-out: 8¾" w x 14¾" d

FireMagic's® Blender is the perfect companion for any outdoor kitchen, bar caddy or beverage center. The attractive and sturdy stainless steel cover protects the 675-watt motor from the elements.

Charcoal Basket

Model: 3562-1 (13" x 10")

Model: 3562-2 (16" x 10")

Cooking with wood chunks or charcoal is easier than ever. Basket sits on top of the burner, gas burners ignite the chunks or coals. Bottom tray catches ashes for easy clean-up.

Five-Piece Tool Set

Model: 3575B

Packed in a handsome zippered nylon logo case, our new 5-piece tool set includes stainless steel tongs, meat fork, silicone-tipped basting brush, slotted flat spatula with serrated edges and built-in bottle opener and a two-sided grill brush.

ADDITIONAL ACCESSORIES

Paper Towel Holder

Model: 53812

Cut-out: 12" w x 8" d x 9/4" h

Accepts and protects regular or jumbo rolls.

Rotisserie Basket

Model: 3618

A versatile, stainless steel basket for skewers, burgers, ribs or fish.

Chicken Holder

Model: 3617E

Enjoy a golden, succulent chicken the quick and easy way!

Turkey Holder

Model: 3615E

This sturdy holder is also perfect for beef, pork and lamb roasts.

Turkey Fryer Kit

Model: 3570

You'll be amazed at how tender a deep-fried turkey can be. Kit includes pot, inner basket with sturdy handle and thermometer probe. Great as a crab or corn pot.

Bamboo Cutting Board

Model: 3582-1

This durable and functional Bamboo Cutting Board is perfect for preparing meats and vegetables for grilling. Board measures 14" w x 12" d.

Smoker Box

Model: 3561

Use with wood chips or wood chunks to add smoke flavor to food.

Safety Timers

Model: 3090 (3 hr timer)

Model: 3092A (1 hr timer)

FireMagic's® 3 Hour, and 1 Hour, Safety Timers offers additional safety and automatically shuts off gas flow at pre-set times. Easy to install. Great for apartment and condominium use.

ISLAND SYSTEMS

GLASS FIBER REINFORCED
CONCRETE ISLAND SYSTEMS

ISLAND SYSTEMS

Constructed from durable Glass Fiber Reinforced Concrete (GFRC) and easily assembled on site, these Island Systems are designed specifically for FireMagic® equipment and make a stunning statement. Café Blanco island bases with contrasting polished GFRC Smoke counter tops provide a handsome concrete look.

DC790 GFRC Island System

Model Shown: **DC790-CBR-108SM** (with Refrigerator)

Dimensions 107½" w x 34¾" d x 36" h

DC430 GFRC Island System

Model Shown: **DC430-CBD-75SM** (with Double Drawer)

Dimensions 76¼" w x 34¾" d x 36" h

System also available with Refrigerator (3590-DR) instead of Double Drawer. Model #: **DC430-CBR-108SM**

Model: 53920-SL

FLUSH MOUNTED

DOORS AND DRAWERS (5 Series)

Featuring heavy-duty handles with cast stainless steel mounts, these doors and drawers are designed to close flush with the frame using a strong magnetic latch. Flush Mounted Doors and Drawers are filled with polyurethane foam for insulation and a solid feel. A continuous rain guard protects from water getting into your custom enclosure. Available in a variation of door and drawer configurations and sizes. With so many options there is a combination available to meet any outdoor kitchen storage need.

Model: 43920-SL

PREMIUM

DOORS AND DRAWERS (4 Series)

Stylized with rounded edges to match the contours of your FireMagic® Grill, these doors and drawers feature heavy-duty handles with cast stainless steel mounts and are mounted outside the frame. A strong magnetic latch ensures secure closure and polyurethane foam filling gives a solid feel and insulation. A continuous rain guard protects from water getting into your custom enclosure. Available in a large variety of door and drawer configurations and sizes.

Model: 33920-SL

SELECT

DOORS AND DRAWERS (3 Series)

These doors and drawers feature outside mounting, double wall and square edge construction, a slim tubular stainless steel handle and heavy-duty magnetic latch. A continuous rain guard protects from water getting into your custom enclosure. Available in a large variety of door and drawer configurations and styles.

Model: 23920-S

LEGACY

DOORS AND DRAWERS (2 Series)

Outside mounted with angled edges, the Legacy Doors and Drawers feature a slam latch for secure closure. Available in 12 door and 4 drawer configurations and sizes. Select styles available with black powder-coated finish. The Legacy doors and drawers are the most economical for builders and homeowners alike.
