FIREMAGIC®

Fire Magic's new Large Capacity Outdoor Ice Maker produces 63 lbs. of ice in a 24-hour period with a capacity to hold up to 27 lbs. in the storage bin. UL Listed for outdoor use, the Ice Maker uses "constant flow" technology to produce ice on demand as it is used.

In addition, a Drain Pump (#3597-100) and Trim Kit (#3821) are available to complete your installation.

Proper operation requires a floor drain within 5' of the unit.
